TOWN WARRANT
TOWN OF LEMPSTER
State of New Hampshire
1995

To the inhabitants of the Town of Lempster, in the County of Sullivan, in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Goshen-Lempster Cooperative School in said Lempster, on Tuesday the 14th day of March at two thirty (2:30 PM) in the afternoon to open the polls for the voting for candidates, and at seven o'clock (7 PM) in the evening for the discussion of the articles of the warrant.

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

ARTICLE 2: To receive all reports and act thereon.

ARTICLE 3: To see if the Town will vote to authorize the Board of Selectmen to convey real estate acquired by the Town by Tax Collector's deed, such conveyance to be by public auction or advertised sealed bids or otherwise as justice may require. This shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required)

ARTICLE 4: To see if the Town will vote to authorize the Selectmen to dispose of municipal assets, i.e. used equipment, etc., such conveyance to be by public auction or advertised sealed bids or otherwise as determined necessary by the Board of Selectmen. (Majority vote required)

ARTICLE 5: To see if the Town will vote to resolve to join the NH Retirement System for it's full time employees. The current cost to the employer is 2.65% of the employee's annual salary. As of July 1, 1995, the cost will be 3.14% of the employee's annual salary, and to see if the Town will vote to raise and appropriate the sum of \$1,502.00, the total cost for three employees in 1995. The Selectmen recommend this article. (Majority vote required)

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$17,500.00 to purchase a police cruiser and to authorize the withdrawal of \$5,664.00 plus interest from the Cruiser Capital Reserve Fund created for that

purpose. The balance of \$11,836.00 to come from general taxation. The Selectmen recommend this appropriation. (Majority vote required) (CIP article)

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$427,362.00 for the purpose of General Town Operations. The Selectmen recommend this appropriation. (Majority vote required)

TOWN MEETING MINUTES

TOWN OF LEMPSTER

State of New Hampshire
March 8th, 1994

The inhabitants of the Town of Lempster, in the County of Sullivan, in said State, qualified to vote in town affairs, met at the Goshen-Lempster Cooperative School in said Lempster, on Tuesday the 8th day of March at two thirty (2:30 PM) in the afternoon to open the polls for voting for candidates, and at seven o'clock in the evening for the discussion of the Articles of the Warrant.

The Moderator, John Williams, opened the meeting at 2:30 PM commencing with ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

Motion was made by Eleanor Pinkney and seconded by Gilbert Pinkney. The Motion passed.

The following officers were elected:

Selectman	3 years	Mary E Grenier
Tax Collector	3 years	Phyllis M Clark
Town Clerk	3 years	Barbara Weir
Planning Board	3 years	Mark Adams
Treasurer	1 year	Kenneth E Roberts
Road Agent	3 years	Phillip L Howard
Auditor	1 year	Donald M Allen
Trustee of Library	3 years	Edna L Chandler
Trustee of Library	3 years	Ellen D Stetson
Trustee of Trust Funds	3 years	Barbara Richards
Sexton	1 year	Everett Thurber
Supervisor of Checklist	6 years	John Terrell

At 7:00 PM the Moderator opened the discussion of the Articles of the Warrant, made his opening comments explaining how he intended the meeting to be run and asked for the Voter's cooperation in conducting an orderly meeting.

ARTICLE 2: To receive all reports and act thereon.

Motion made by: Ken Roberts Seconded by: John Michaels

Alma Richards spoke, as retiring Trustee of the Trust Funds, saying that in response to the Auditor's Report in the 1993 Annual Town Reports, the moneys in the trust funds did not belong to the Town but should be held in their separate accounts so that the money would be there and available for the necessary expenses plus any out of the ordinary expense due to hurricanes etc.

Being no further reports, the motion passed.

Paul Vandervalk, seconded by Tom Ogden, made a motion to consider Article 31 prior to Article 3. The reason for this motion, Mr Vandervalk said, was that it is good to know what we are spending in the main budget before we move to the special articles. The motion passed.

ARTICLE 31: To see if the town will vote to raise and appropriate the sum of \$420,857.00 for the purpose of General Town operations. The selectmen recommend this article. Majority vote required

Motion made by: Shaun Best Seconded by: Phyllis Clark
Motion was made by Shaun Best to address this article line by line, motion was withdrawn and reinstituted by Henry Frank.
The motion was defeated.

Article passed with a hand vote of yes = 76 and no = 66.

ARTICLE 3: To see if the Town will authorize the Selectmen to borrow money for the Town in anticipation of taxes. This

authorization in accordance with RSA 33:7 shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required)

Motion made by: Harry Stover, Seconded by: Phyllis Clark
Article passed.

ARTICLE 4: To see if the Town will vote to authorize the Board of Selectmen to convey real estate acquired by the Town by Tax Collector's deed, such conveyance to be by public auction or advertised sealed bids or otherwise as justice may require. This shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required)

Motion made by: Bob Falkenburg Seconded by: Don Arsenault

The article was amended by Deborah Stone and seconded by Sue Roberts to omit the last sentence "This shall remain in effect until rescinded by a vote of the municipal meeting."

The motion to amend passed and Article 4 as amended passed unanimously.

ARTICLE 5: To see if the Town will vote to authorize the Selectmen to dispose of municipal assets, i.e. used equipment, timber, etc., such conveyance to be by public auction or advertised sealed bids or otherwise as determined necessary by the Board of Selectmen. Majority vote required.

Motion made by: Tim Jacob Seconded by: Florence Michaels

Don Arsenault made the following amendment. "To see if the Town will vote to authorize the Selectmen to dispose of Town owned equipment and supplies, i.e. used equipment, timber, etc., such conveyance to be by public auction or advertised sealed bids or otherwise as determined by the Board of Selectmen." The purpose of this was so that the article could not be construed to mean real estate etc.

The amended article was seconded by Jim Morone. After much discussion Bob Falkenburg requested a cease debate. This passed. The motion to amend and the amended article passed.

ARTICLE 6: Shall the Town accept the provisions of RSA 31: 95-b providing that the town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year? This authorization will remain in effect until rescinded by a vote of the municipal meeting.

(Majority vote required)

Motion made by: Randy Bell Seconded by: John Michaels
Motion passed.

ARTICLE 7: To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required)

Motion made by: Harry Stover Seconded by: Pat Nash
Motion passed.

ARTICLE 8: To see if the town will vote to have the selectmen explore the possibilities of withdrawing from the Sullivan County Solid Waste District. Majority vote required

Motion made by: John Fabrycky Seconded by: Bob English

Norton Best, Selectman, explained that the Selectmen wished a voice of support from the Town showing either that the Town would like the Selectmen to do all they can to get out of the Solid Waste District or else that the the Town wished to stay with the district and that the Selectmen should drop it.

John Fabrycky requested an actual hand vote and that the results be recorded and sent to the Solid Waste District. The results were: yes = 163, no = 0.

ARTICLE 9: To see if the town will vote to have the position of Auditor changed from an elected position to that of hiring an independent Auditing Firm. This to start with the Fiscal Year 1995. Majority vote required.

Motion made by: Bob Falkenburg Seconded by: John Michaels

Harry Stover, Selectman, wished to amend this article to read for the fiscal year of 1995 and for that year only. Don Arsenault seconded the amendment. The motion to amend was defeated and Article #9 was defeated.

ARTICLE 10: To change the position of Police Chief from an appointed position to that of an elected position. The first election for said position will be in the Town Elections of March, 1995. The term of the elected position will be for one year. (Petition Article) Majority vote required. The Selectmen do not recommend this article.

Motion made by: Jim Grenier Seconded by: Shelli Smith

Jim Grenier spoke on the issue saying that in the past years the police chief had been elected with no apparent problems and didn't see why this couldn't be reinstated. This way the Town's people could have a say in who they wished as police chief.

The Selectmen felt that the police chief was a professional job and that the Selectmen should still appoint this person.

After much discussion a cease debate was called for and passed. Article 10 passed.

ARTICLE 11: To see if the town will vote to authorize the selectmen to establish rules of occupancy before a dwelling may be inhabited. Said permit shall be required before habitation of any new construction or the installation of any Mobile Home, Prefabricated Home, or trailer. Proof of State approved provisions for sewerage shall be required in addition to the completion of a Town Building Permit. Failure to file such documentation before occupancy or thirty (30) days thereafter shall result in a fine of not more than \$500.00.

A motion was made by Ralph Keeler and seconded by Charity Jacob to table the article. The article was tabled.

ARTICLE 12: To see if the Town will vote to appropriate the sum of \$5,600.00 from surplus monies left in the Budget Dec. 31, 1993. and to be added to the Highway Garage Capital Reserve Fund. This money is from the sale of used Highway equipment. The selectmen recommend this appropriation. (CIP article)

Motion made by: Bob Falkenburg Seconded by: Pat Nash

Phil Howard made an amendment to change the Highway Garage Capital Reserve fund mentioned in the article to the Highway Department tractor and suitable attachments reserve fund .

The amendment was defeated. After much discussion Paul Vandervalk asked for a cease debate. Debate ceased and the original article passed 74:60.

ARTICLE 13: To see if the town will vote to appropriate the sum of \$3123.00 from surplus monies left in the budget Dec. 31, 1993 and to be added to the Police Cruiser Capital Reserve Fund. This money is from the sale of the old Town Police Cruiser. The Selectmen recommend this article. (CIP article)

Motion was made, seconded, and the article passed.

Sue Roberts made a motion to table Article 14 until after

Article 16. Deborah Stone seconded the motion. Motion passed.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$100,000.00 to renovate the Town Hall on Lempster Street and to authorize the issuance of not more than \$100,000.00 of bonds or notes in accordance with the provision of the Municipal Finance Act (Chapter 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The selectmen do not recommend this appropriation. (2/3 ballot vote required)

Motion made by: John Michaels Seconded by: Bob Falkenburg

John Fabrycky made the following amendment, seconded by Mark Adams. To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of repairing the roof on the north side of the Town Hall, repairing the bell tower, removal of the chimney and what ever else can be accomplished with the remaining funds.

Mark Adams explained that there are 40 original Town Halls left in New Hampshire. The Town of Lempster has one of these. There are only two others of the same type in the State. Mark suggested that by voting for the \$15,000, we would stop the leaks from the roof and tower and fix some structural problems of the tower. There would be other problems to address next year at which time further proposals could be made. He also told us that John Lee, an archetectural conservator of Annapolis, Maryland, has offered his services to look at this building and make suggestions free of charge.

The motion to amend passed unanimously and Article 15 passed as amended.

ARTICLE 16: To see if the Town will vote to require a public vote in order for the selectmen to dispose of the Town Hall in any way (Petition Article) Majority vote required

Motion made by: Mark Adams Seconded by: Peter Hill
The article passed unanimously.

ARTICLE 14: To see if the town will authorize the selectmen to negotiate with the Lempster Historical Society to take over the Town Hall and all Capital Reserved Funds attached thereto. (Petition Article) Majority vote required. (DRA does not allow CRF to accompany this article)

Motion made by Steve Flynn and seconded by Deborah Stone to table this article. Article was tabled unanimously.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be added to the Rescue Truck Capital Reserve Fund. The selectmen recommend this article. (CIP article)

Motion made by: Phil Howard Seconded by: John Brown
Article passed.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$53,569.85 to purchase a rescue truck for the Lempster Rescue Squad and to authorize the issuance of not more than \$43,086.85 of bonds or notes for seven years in accordance with the provisions of the Municipal Finance Act (Chapter 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; further to authorize the withdrawal of \$10,483.00 plus interest from the Rescue Truck Capital Reserve Fund created for this purpose. The selectmen recommend this appropriation. (CIP article) 2/3 ballot vote required.

Motion made by: Mark Adams Seconded by: John Brown

Norton Best made an amendment, and John Fabrycky seconded, to see if the Town would vote to withdraw \$10,483 plus interest from the Rescue Truck Capital Reserve Fund, \$2600 to be used for a surplus truck presently in the possession of the highway department, and the balance to be used to fit the truck with a box.

The motion to amend was defeated.

Mary Grenier made an amendment, seconded by Ronald Pepin, to see if the Town will authorize the Selectmen to take the \$30,000 from Town Forest interest, add this to \$10,483 from the capital reserve fund and raise the balance of \$13,086.85 from taxation to equal the \$53,086.85 needed for the rescue truck.

The motion to amend passed. The article as amended passed 92:54.

ARTICLE 19: To see if the town vote to raise and appropriate \$8232.00 for a Poseidon air compressor for the Lempster Fire Dept. breathing equipment and to authorize the Fire Department to enter into a three year Lease/purchase agreement (with escape clause). The first two payments of \$2750.00 and \$1,732.00 of the third year are to be raised by taxation and \$1,000.00 to be withdrawn for the Capital Reserve Fund established for this purpose also in the third year. Majority vote required . The Selectmen recommend this article.

1994 PLANNING BOARD/CAPITAL IMPROVEMENTS
COMMITTEE REPORT

On April 30, Eric Richter resigned from the Board and H. Peter Homan was chosen by the Board to replace him on May 9th. In June, the John McDonough property bordering the 2nd NH Turnpike and Charlestown Turnpike was subdivided into three lots. In August, John Fabrycky was chosen as the Board's second alternate member. Also in August, Bill Rodeschin began to chair a committee of townspeople to assist the CIP Committee and Planning Board in their considerations for upgrading various town buildings. To date that committee has been very helpful, for which the Board is quite grateful.

In September an annexation from the John Terrell property to the Lannie Simino property in Lempster center was approved by the Board. On October 24th, at a recessed meeting from October 10th, the Board approved the annexation from Brendan and Janke Whittaker to Thomas Brennan off Dodge Hollow Road. On November 14th the Board approved a 2 lot subdivision of the Yorick and Albert Hurd property on Hurd Road and a 2 lot subdivision of the Robert and Carole Shaw property on Route 10.

In July the Board sent notices to receive input from the various departments for the CIP proceedings for 1995 Town Meeting. From the various discussions, etc. regarding this, the CIP Committee is proposing purchase of the police cruiser and building a new highway garage in 1995. The building committee is studying the Town Hall and renovation of the Town Offices, which will probably be commenced in future years. We recommend putting money in reserve in 1995 toward the Town Hall. We also recommend putting some toilet facilities in the present Town Offices to accommodate the people who frequently work there as we are not ready to do the whole renovation as yet. The committee also recommends putting money in reserve for communications equipment, the transfer station and landfill closure. A spreadsheet for the CIP may be found elsewhere in the Town Report.

In closing, the Planning Board meets the second Monday every month in the Town Office, Rte. 10, East Lempster, at 7:00 PM. Everyone is welcome to attend.

1994 REPORT OF TRUSTEES OF TRUST FUNDS

In the spring the three board members attended the Annual Seminar on Trust Fund Administration and Statutory Filing Requirements to better acquaint ourselves with the responsibilities of our position. We later met with Terry Knowles of the Attorney General's Office to get specific answers to questions we had in regard to our town.

One change we were instructed to make was in regard to payroll. Previously it was paid directly to the workers from the Trust Funds Account. It is now paid by the Selectmen and then they are reimbursed from the Trust Fund Account. This is the reason for the increase in the Cemetery Budget; it is not an increase in expenses.

The State made a change from having a sexton in charge of the cemetery to requiring a Cemetery Trustee Board. We were willing for the Selectmen to appoint us to that position until the March 1995 election which they did. We are presently working on By-Laws and Regulations for the town to vote on at a future date.

In December we met with a bank representative to discuss investment options to obtain a higher yield while keeping the money accessible. We made a change in the Capital Reserve accounts which increased us from 2.5% to 4% annual interest. We also changed the one year Certificate of Deposit to a five year which increased our annual interest rate from 2.5% to 6.5%.

We would like to express our appreciation for the way our cemetery has been taken care of during this past year.

1994 REPORT OF THE FIRE CHIEF

1994 has been a very exciting year for the Lempster Fire Department. Six firefighters were chosen to attend the National Fire Academy in Emmitsburg, Maryland. This facility offers the finest in fire fighting training and officer development. All personnel were able to take a course in fire company tactics and procedures. These training courses have helped the officers develop training programs within our own department that have been very successful. Several other Lempster firefighters have completed the NH Certified Firefighter Course this year. Well trained firefighters in an organization like ours is seen best at the calls that we respond to. Our members perform in a most professional and safe manner at all incidents.

A major incident at the Sullivan County Home in Unity proved the effectiveness of our well trained organization. When faced with a major conflagration at the Maple Hill Building, our firefighters did not hesitate to fill the needed positions of water supply, interior search and rescue, and interior fire attack. Because of our fire department and many other departments, the loss at the county facility was kept to a minimum.

Our department responded to 8 building fires, 4 automatic fire alarms, 3 chimney fires, 2 car fires, 3 brush fires, 5 motor vehicle accidents, 3 cover assignments, 1 tire pile fire, 1 stove fire, 1 lightening strike, 3 odor investigations, and 1 flooded cellar. All in all a pretty active year.

House Bill 224 was passed in the 1993 Legislative Session. What this bill is, is a law that provides liability coverage to fire departments. This law takes effect January 1996. We have to pass a warrant article to accept our current fire department as is, in order to be in compliance with this law. In other words, the Town has to show a vote of confidence and acceptance with its current form of fire department to meet the new standard. I have spent many hours at meetings and on the telephone with the State Fire Marshall and the NH Division of Standards and Training to know what the simplest and least expensive way to meet the requirements of this new HB 224. In return for your efforts in passing a warrant article, the department receives the lawsuit protection of the town, instead of the risks of lawsuits falling upon the individual officers and members.

The other important item coming before us is the change over to a statewide enhanced 911 emergency phone system. This change is scheduled to take place on July 5, 1995. We are currently in the process of townwide numbering and street naming. Hopefully, this will all be completed prior to the startup date.

Thank you for your continued support of the Fire Department. Its continued improvement relies on your generosity and gratitude.

To the members, it is an honor to lead such a caring and committed group of individuals.

Philip J. Tirrell, Sr.
FIRE CHIEF

1994 LEMPSTER RESCUE REPORT

The Lempster rescue responded to 40 calls in 1994. They are as follows:

Automobile accidents	9	Back injuries	3
Ill	6	Lacerations	2
Heart problems	5	Fractures	1
Difficulty breathing	5	CO poisoning	1
Assist fire	3	Odor investigation	1
Falls	3	Finger	1

One of the most serious calls was in January when we were called to the Unity School for Carbon Monoxide (CO) poisoning. CO is a colorless, odorless gas and will kill. The staff and students were treated and released from the hospitals with no lasting effects. This could have been a terrible disaster if the problem was not discovered. In addition to working smoke detectors residents should consider installing CO detectors.

The delivery of the new rescue truck in October has been an asset to the squad. The truck committee did an excellent job on designing the body. This makes the equipment more accessible during an emergency. We now have a reliable vehicle to get to a scene and back again. I would like to thank the Townspeople for voting to purchase this vehicle. Also a special thanks to Phil Tirrell for all his time, work and sleepless nights getting this rescue truck built.

We have welcomed two new members this year. There is also 6 members continuing their medical training. I am proud to be a part of such a dedicated and hard working department. I appreciate all they do and the support they have shown me. Thank you.

1994 CONSERVATION COMMISSION REPORT

During 1994 we added two new members - Yorick Hurd and John Terrell. Carol Stamatakis became an alternate member and remains our Treasurer.

In May we conducted our annual Earth Day/Roadside Clean-Up. As usual we were dismayed by the amount of bottles and drink cans which adorn the roadsides. Isn't it possible that a Bottle/Can Bill could be passed which would help to stop this litter? We also want to point out that much of the trash on the Lovejoy Road has fallen out of pickups on the way to the dump.

Lempster now has 10 more Lilac bushes growing in various locations including two at the cemetery and one at the common -- compliments of the Lilac Commission of New Hampshire.

We are happy to report that we were able to send both Shane Brown and Angelique Benner to Bear Hill 4-H Conservation Camp for a week with all expenses paid.

The Land Swap deeds are currently being worked on by Carol Stamatakis and Michael Shklar. The Duck Pond Nature Trails were cleared again this year with the help of several children and adults.

Spaulding Cemetery (a private family burial ground) was located with the help of Phil Barker of Washington. Work is scheduled for next year to do some clean-up work.

A new flag pole (supplied by the Selectmen) and a flag that had flown over the Capitol Building in Washington, D.C. (procured by John Terrell) was installed on the Lempster Street common.

1994 BUILDING PERMIT REPORT

Construction activity more than doubled in Lempster in 1994. Twenty three (23) permits were issued this year as compared to eleven (11) in 1993. However, the value of this construction was only about \$18,000 more than last year. This years construction was valued at \$350,399. Permits were issued for 4 new homes, 5 additions, 2 garages, 3 barns, 3 mobile homes, 2 mobile home foundations, 1 saw mill, 2 sheds and 1 deck.

CRUISER

On July 6, 1994 the Selectmen of Lempster appointed me to the position of Chief of Police in order to fill a vancy left by Jerri Bruno. I soon came to realize that most of the equipment that is needed to operate a Police Department had been either sold or belonged to the individual officer. I was unable to track down one single chief's badge and found that the only firearm that the town owned was a 12 ga. shotgun. I felt that my first priority was to get proper identification so a minimum number of badges were ordered and with the help of the in-house computer I.D. cards were made. The next step was to try and find a way to outfit everyone with a firearm. A letter to Earl Blanchard of Sturm Ruger Company was written and after a short discussion with him personally, four Ruger KP94D, 9 ml. handguns were donated to the Lempster Police Department. These guns have a retail value of \$2,080.00. The next big obstacle facing me was what to do about a vehicle.

Before my appointment when I met with the Selectmen, it was unanimously agreed upon that a vehicle was needed for the Police Department. The question that needed debate was new vs. used vs. federal surplus. I felt that the vehicle that would best suit the Police Department should be four wheel drive and that it should have room between the driver and the passenger to accommodate the radio equipment. We were able to locate two used vehicles. The first one was Acworth's old cruiser. Chief Raymond from Acworth said that the vehicle would make us a good one if we patched up the rust in the tailgate. The second vehicle was a full size Blazer that Howe Motors had. It had 70,000 miles on it. Federal Surplus did have two full size Blazers that we thought would work out great. One of these vehicles had only 79 miles on it. The price tag on this was \$4,500.00. There was only one problem. We were eighth on the waiting list. We kept calling and I even went down to look at the vehicle, but I was unable to get up any further on the list. Finally, after a number of calls, we were informed that both vehicles had been sold. This is when officer Tim Crofts began to explore lease/purchase. Tim Crofts is a Detective with the Claremont Police Department and has much experience in dealing with lease/purchase. Paul and Sons Ford put out a "tracer" for a vehicle that matched what we were looking for. Within a day one was located in Cape Cod, MA. The window sticker was \$27,095.00. With interest, Paul and Sons agreed to lease the vehicle for a total cost of \$25,004.03. \$5,241.61 was to

be paid upon delivery for the first years lease. This figure also included the documentation fee. The annual payments thereafter would be as follows: 2nd year \$4,940.61, 3rd year \$4,940.61, 4th year \$4,940.61 and the 5th year \$4,940.59. At the conclusion the town would own the vehicle. During Town Meeting, if the voters do not want to keep the vehicle, it can be returned. Detective Crotts estimated that it would take another \$1,300.00 to outfit the vehicle after delivery. After much discussion, a decision was made to go ahead with the lease purchase.

PERSONNEL

Shortly after my appointment, David Fisher who was the Deputy Chief, resigned. Detective Crotts, who agreed to help out, was sworn in the same night as I, on July 6, 1994. Shortly afterward, Raymond Lagasse was sworn in as a Lempster officer. Officer Lagasse and myself are currently enrolled in a certification school and are due to complete the training sometime in April. Dave Condon, who was already on the force as a Lempster officer, has agreed to stay on, but he will need to complete a fifty one hour law package in order to regain his certification. In November 1994 Josie Augustinowicz was hired as a civilian Animal Control Officer. Josie comes from an extensive background with animal care and has already proven herself to be an asset to the department. Josie is dispatched through Newport Police Department and is under the direction of the Lempster Police Department.

BUDGET

I know that at first glance, the budget figure for the Police Department is a shocker, but please bear with me as I try to explain.

First, the \$29,328.00 figure has in it the second years lease for the cruiser. If article #6 is passed, that figure can now be amended to \$24,388.00. There is also about \$4,000.00 worth of one time expenses in the budget. This is for equipment that the department really should have in order to function safely and efficiently. That would put next years budget down where it should be, in the \$20,000.00 to \$21,000.00 range.

Weeks of thought and calculations were put into this budget, and it would require more pages than I have access to in order to explain the whole budget. However, I would be happy to explain this budget to anyone who would call to set up an appointment.

In closing, I would like to thank the Selectmen and everyone else who have supported me in this new task, and to all of the townspeople who have been so patient.

1994 HIGHWAY DEPARTMENT REPORT

1994 was a busy year, as always, for the Highway Department maintaining roads and equipment, also it brought changes to department personnel. During the winter months we were a three man crew, from May to November we returned to a two man crew. After 5 years of employment with the town, Joe Newcomb, applied for and was appointed the job as Road Agent for the town of Grantham. God Luck Joe! In December two new personnel were hired.

Winter road maintenance required a great amount of salt and sand; approximately 2,500 yards of material to keep roads passable. Heavy, continuous snow fall kept the Highway Department busy with repairs to trucks and equipment. Steaming ice from culverts, and cutting ice (with the grader) off the roads to keep them passable. Plus the plowing and sanding - sanding and plowing.

Spring, summer and fall road repairs were made throughout the town. 2,200 yards of crushed gravel and 1,200 yards of screened gravel from the town pit along with gravel purchased from local contractors were used on the roads.

20 tons of cold patch, and 400 tons of hot mix were used for shimming and patching.

350 yards of cold mix were made up by the Highway Department with the help of NH Bituminous. This mix was laid on sections of Lempster Mt. Road. This is an ongoing project with more planned for the future.

Again an agreement was made with the Washington Highway Department to trade men and equipment during road projects. This enabled both towns to work together and make more efficient use of time and equipment.

This year Crescent Lake Road bridge received a new timber deck and bridge rails. This section also needed shimming with hottop to smooth it out.

Blasting and removal of ledge along Grandview Road and Waldon Road to remove hazards was performed. Improvements to Waldon Road, included ditching, culverts, gravel and tree removal.

On Mill Road trees were cut, gravel was laid and a new culvert put in place.

On Old Unity Road improvements were culverts, gravel and trees cut. More is planned for this section in 1995.

Roadside mowing was done by Ed Benware of Cornish, for the fourth year, keeping the brush back improving visibility.

M & J Tree Service was hired to cut trees near power lines on South Road. This will allow us to remove roadside debris, improve drainage, visibility, and create room for snow removal.

There is a great deal of debate over the condition of the lower section of South Road leading to Sand Pond Road. A petition was brought forth by residents in the area and presented to the Selectmen for improvements to this section of South Road, a 1 1/2 mile section of road that has never had any major repairs or improvements. Repairs were made, but increased traffic has deteriorated what was done.

Many of our continuous road problems are from private driveways, private roads - logging accesses, etc. Lempster Mt. Road and lower Dodge Hollow Road received damage during heavy rains in June. Highway Department funds that were planned for use elsewhere in town, had to be used to repair these sections of road. Damage was related to a private road entry and a driveway/logging access area.

Land clearing done in the town pit created access to available material (sand, gravel, fill) for road use.

Department personnel have attended several safety and road maintenance programs throughout the year. These programs are sponsored by the town's insurer; NH Municipal Association, Workers' Compensation Funds, and the University of NH.

The '94 International 4 x 4 plow dump sander has been an excellent truck and should give us many years of service.

The John Deere road grader (purchased at auction in May '93) has been very dependable - no major problems.

The Cat 416 loader backhoe on lease has been exchanged for a Cat 416 B loader backhoe. The exchange was made after researching several other makes and models. This machine is the same cost per month with warranty. This will help control cost on this machine and down time.

From Federal Surplus we were able to purchase a 1985 Chevy one ton. The truck is now set up with a utility body that can be loaded with tools and equipment for on site job use.

An article in the Town Warrant for a Highway Department building has been on the capital improvements program for several years. The present building was a school house built in the 1800's. The building was converted to a highway shed in the early 1960's. In 1978 Lempster purchased land on Olds Road, to be used as the town pit, creating two locations for the Highway Department to work from. Both facilities should be in the same location with a building large enough to store all equipment, trucks, supplies and be able to work on equipment out of the weather.

I would like to thank all area businesses and individuals for their knowledge shared and services provided to the Lempster Highway Department.

1994 MINER MEMORIAL LIBRARY REPORT

Our activities for the year included the Old Home Day Open House on August 21, refreshments provided by the Friends of the Library; the Summer Reading Program Cookout with awards from the Friends on August 22; the Church Fair Book Sale September 3; and an Open House for the 4-H Club on December 5.

Notable changes and additions for 1994:

1. A salary raise for the Librarian from \$5.00/hr. to \$7.00/hr. to be more in keeping with other town salaries.
2. Additional lighting - no more dark corners.
3. New shelves in the main room and storage room.
4. A new rug.

Growth and usage: new books - approximately 550, patrons - 248, circulation - about 3,400 publications.

1994 HISTORICAL SOCIETY REPORT

The Lempster Historical Society was established in 1977 to promote interest in the history of the town, to write a history, to preserve and display records, artifacts and pictures, and to help with the maintenance and care of historic property and sites.

The Lempster Historical Society was recently awarded a plaque by Inherit New Hampshire for the Society's efforts to preserve the Lempster Street Town Hall, an historic 18th century meetinghouse.

The Society continues to need the support and enthusiasm from all members and residents, old and new. Our next meeting will be held on Wednesday, April 26 at 7 PM in the Lempster library. You are cordially invited to attend.

1994 LEMPSTER OLD HOME DAY ASSOCIATION REPORT

The 95th Old Home Day was held in Lempster Saturday, August 20th. The day started with a house tour at Deborah Stone's home (The Old Parker Place). Next year we plan to tour the parsonage now occupied by the Thurburs.

At noon Gilbert Pinkney and the Forest Lodge 69 100F of Marlow served a chicken barbeque outdoors. A dining fly was loaned by the East Lempster Community Church and Emily Fairweather.

During an afternoon program at Lempster Street, guests "remarked" in the old Meeting House of the Congregational Church now 200 years old. Architectural historiam James L. Gavin said this particular building is a rare survivor of such New Hampshire Meetinghouses. Deborah reported that in her research the Univeralists were very educated people. They encouraged establishing grade school, high schools and libraries as far back as 1820-22. President Miner of Tufts University was a Lempster resident. The Universalist Chapel became Lempster's library.

Frances Wirkkala, pianist, put together a song sheet and Geraldine Rudenfelt led the audience in singing the songs. Abigail Keeler showed her framed pressed flowers and cards and told how she made them.

In the evening Gardner Stetson had arranged for Jim Cooke, a well-known actor, to entertain the audience with his character interpretations of Calvin Coolidge entitled "Two Words". He was a president we all can be proud of. His philosophy included "Things I did not say never hurt me."

Old Home Day Sunday Worship Service was observed at the East Lempster Community Church with Mr. Fred Davis. The Friends of the Library served refreshments in the E. Lempster Library after the service. All in all everyone seemed to have a good time. People came from California, Connecticut, Florida, Massachusetts, New Hampshire, New York and Virginia.

The 1995 Old Home Day celebration is planned for August 12th, the second Saturday in August, so as not to conflict with the Cornish Fair. Then 4H and others may organize a parade, games and other activities.

We welcome all Lempster people and organizations to their Old Home Day and thank all who contribute!

Thank you for your support of our services. We continually strive to ensure that all of our services are of the highest quality and available to all people who need them.

As a locally based tax-exempt organization, we support our communities by employing qualified people who live in towns from which we receive town appropriations and by purchasing goods and services from local vendors. In 1994, we employed 3 people from Lempster.

We depend heavily on the selfless support of volunteers who contribute hours to the success of our programs. For them and our Trustees, we are grateful. A Trustee who lives in your town is John A. Fabrycky.

TOWN OF LEMPSTER

1994 AUDIT

1. All available financial records of the tax collector, town clerk, treasurer, and selectmen have been examined in detail and the findings compared with the monthly bank statements. There were no significant discrepancies and it appears that all funds collected by these various entities were duly deposited in the appropriate account. Expenditures were examined including comparison with invoices and again it appears that all were duly authorized and transacted properly.
2. The cash book, investment records and bank statements of the Trustees of the Trusts was examined. The records show that monies appropriated by the Town Meeting were duly deposited in the specified interest bearing account and that authorized transfers were made from capital reserve funds. No discrepancies were noted.
3. In a like manner the records of the Library Trustees were examined and no discrepancies noted. It is worth mentioning again that the Library Trustees maintain an average non-interest bearing monthly checking account balance of \$3000. It is recommended that this account be switched to an interest bearing account; that the balance above \$1000 either be expended for library purposes or be rolled over for the 1995 appropriation.
4. The bank statements, cash book, and invoices of the Fire and Rescue Departments were also examined in detail. There were no financial discrepancies noted. One expenditure appeared to be excessive- \$1250 for 23K Gold lettering, striping and a cartoon character for the new Rescue Truck.
5. For hourly employees of the Town, it is required by the State that each employee sign and thus certify the daily or weekly payroll sheets. This should be instituted.
6. Accurate and individual records are needed for every item of capital equipment that is owned by or purchased by the Town. This should include major items such as vehicles, computers, copiers, telephone systems etc.
Such a folder would include the original invoice, bidding data, payment records and disposal information when no longer in service. Depreciation records should also be kept as a means of determining the Town's assets as required by the State.

7. Town owned or Town maintained vehicles should have a similar record but in addition should have a Vehicle Log. This log would be kept as a record of beginning and ending odometer readings for each use or trip and the purpose of the trip, a record of fuel use, of repairs and other maintenance. It is important for the Town to know that each vehicle is being used for the intended purposes, that fuel purchased by the Town is used only for business purposes in Town vehicles. It will also provide a record of authorized or unauthorized use of Town vehicles for private purposes. An increase in maintenance expenses would also signal the possible need for replacement.

Each year an inventory of significant town owned equipment should be made. The Town does not have reliable records of its supplies and equipment and hence has no means of knowing what it owns or what, if anything, is missing.

Respectfully submitted,

Donald M. Allen

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Goshen-Lempster Cooperative School District, in the towns of Goshen and Lempster, in the county of Sullivan, in the State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster, on the 4th day of March, 1995, at seven o'clock P.M. to act upon the articles set forth in the Warrant. Articles 1, 2, and 3 of the Warrant covering the election of Moderator, Member of the School Board from Goshen, and Auditor will be acted upon at three o'clock P.M., and voting will be by official ballot and checklist. The polls will remain open for this purpose from three o'clock P.M. until at least seven-thirty o'clock P.M.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Goshen for the ensuing five years.

ARTICLE 3.

To choose an auditor for the ensuing year.

ARTICLE 4.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 5.

To see if the district will vote to raise and appropriate the sum of **TWO MILLION FOUR THOUSAND FOUR HUNDRED EIGHTY SIX DOLLARS (\$2,004,486)** as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at **THREE HUNDRED TWENTY-FIVE THOUSAND ONE HUNDRED SIXTY-SIX DOLLARS (\$325,166)**. (The School Board recommends this appropriation.)

ARTICLE 6.

To see if the district will vote to raise and appropriate the sum of **SEVENTY-SEVEN THOUSAND NINE HUNDRED DOLLARS (\$77,900)** as a deficit appropriation to the 1994-1995 budget to cover increases in the cost of special education and tuition costs and instruct the Clerk to issue a certificate therefor to the selectmen of the Towns of Goshen and Lempster. (The School Board recommends this appropriation.)

ARTICLE 7.

To see if the school district will vote to raise and appropriate the sum of FIVE THOUSAND EIGHT HUNDRED DOLLARS (\$5,800) to replace the fire box in the original boiler system and to replace the warm air furnace and further to authorize the withdrawal of FIVE THOUSAND EIGHT HUNDRED DOLLARS (\$5,800) from the Capital Reserve Fund created for the purpose of building repairs. (The School Board recommends this appropriation.)

ARTICLE 8.

To see if the district will vote to raise and appropriate the sum of THREE THOUSAND SEVEN HUNDRED FIFTY DOLLARS (\$3,750) to fund the purchase of three new computers and printers for use in classroom instruction for students in the school district. (The School Board recommends this appropriation.)

ARTICLE 9.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

ARTICLE 10.

To transact any other business that may legally come before this meeting.

Given under our hands this 10th day of February, 1995.

GOSHEN-LEMPSTER COOPERATIVE SCHOOL DISTRICT
MINUTES OF THE ANNUAL MEETING
OF THE GOSHEN-LEMPSTER SCHOOL DISTRICT

March 19, 1994

ONE A MOTION BY DORIS CAMPBELL AND A SECOND BY CHRIS SMITH THE POLLS WERE OPENED AT 3:00 P.M. FOR THE PURPOSE OF VOTING ON ARTICLES 1, 2, AND 3.

The business meeting was recessed until 7:00 p.m. by Moderator John Williams. The meeting was called to order at 7:00 p.m. by the moderator. All board members were present along with Superintendent Liz Durocher, Assistant Superintendent Arthur Jillette and Business Administrator Allen Damren.

ARTICLE 1.

To choose a moderator for the ensuing year.

John Williams was elected moderator for a one year term by 128 votes. Other votes cast were as follows: Tom Moore-21; Wesley Ash and Fred Smith-1 each.

ARTICLE 2.

To choose a member of the school board from Lempster for the ensuing five years.

Donald A. Arsenault was elected for the 5 year term with 119 votes. Other votes cast were Keven Onnela-2 and Ted LeClair-1.

ARTICLE 3.

To choose an auditor for the ensuing year.

Donald Allen was elected auditor with 38 votes. Other votes cast were as follows: Renda Elmore-4; Ann O'Clair-4; Barbara Chadwick-3; Fred Smith-2; Edna Chandler-2; Kevin Onnela-2; and Jim Walter, Bruce Hodgman, Rita Purmort, Milton Marsh, Rudolph Adler, Shura Gale, Edna Chandler, Phyllis Clark, Arthur Jillette, Don Arsenault, and Susan Hopkins-1 each.

ARTICLE 4.

To hear reports of agents, auditors, committees, or offices chosen, and pass any vote relating thereto.

School Board Member Paul Vandervalk noted a misprint on page 3 of the report. The Vice Chairperson was Paul Barrett. MOTION MADE BY PAUL VANDERVALK AND SECONDED BY FLORENCE MICHAELS. ARTICLE PASSED UNANIMOUSLY.

ARTICLE 5.

To see if the district will vote to raise and appropriate the sum of ONE MILLION SEVEN HUNDRED NINETY NINE THOUSAND FIVE HUNDRED FIFTY-FOUR DOLLARS (\$1,799, 554) as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at THREE HUNDRED TWENTY THOUSAND FIVE HUNDRED AND THIRTY SIX DOLLARS (\$320,536). (The School Board recommends this appropriation.)

MOTION MADE BY JIM WALTER AND SECONDED BY VIOLA WRIGHT. SCHOOL BOARD MEMBER PAUL VANDERVALK MOVED TO AMEND THE ARTICLE TO BE INCREASED BY TWENTY-FOUR THOUSAND ONE HUNDRED SEVENTY-FOUR DOLLARS (\$24,174) FOR A TOTAL OF ONE MILLION EIGHT HUNDRED TWENTY-THREE THOUSAND SEVEN HUNDRED TWENTY-EIGHT DOLLARS. This addition was a late settlement with the teachers for a lump sum of money to be divided at their discretion as a one-year salary increase. THE AMENDMENT WAS SECONDED BY ROBERT C. ENGLISH. Kevin Onnela quoted a law which he said proved that the amendment was illegal. The moderator asked if anyone was willing to give a legal opinion of the matter. SAU Business Administrator Allen Damren said he had checked with the State and found that the amendment was perfectly legal. The moderator accepted this opinion and proceeded to entertain the amendment. THE VOTE TO AMEND WAS UNANIMOUS.

Chairperson Doris Adler explained that John Bonfiglio has suggested that he move to a one-half time principal, one-half time teacher position. The board had accepted this proposal and decided to give it a try. After a little discussion THE AMENDED ARTICLE PASSED BY A VOICE VOTE.

ARTICLE 6.

To see if the school district will vote to have the supervisors of the Towns of Goshen and Lempster act as the supervisors of this cooperative school district pursuant to RSA 671:17 I. (The School Board recommends this article.)

John Michaels, the supervisor the checklist in Lempster, said he felt it was a waste of effort to have the school district creating their own checklist when they could use the lists form each of the two towns. Chris Smith, the supervisor of the Goshen checklist agreed. ON A MOTION BY RANDY BELL AND A SECOND BY JOHN MICHAELS THE MOTION CARRIED UNANIMOUSLY.

ARTICLE 7.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

MOTION MADE BY FLORENCE MICHAELS AND SECONDED BY ARTHUR JILLETTE. THE ARTICLE PASSED UNANIMOUSLY.

ARTICLE 8.

To transact any other business that may legally come before this meeting.
Given under our hands this 18th day of February, 1994

Mary Walters initiated a round of applause for the school board's presentation of a responsible school budget.

Doris Adler acknowledged the help of the Budget Advisory Committee consisting of Tim Jacob and David Keeler.

Doris Adler introduced the new Superintendent Liz Durocher.

Members of the district recognized John Hopkins' long years of service on the school board.

A citizen asked if the school could raise money to help in Claremont's lawsuit against the state. The school board had considered this but felt the school could not afford to put anything in the budget toward this cause.

ARTHUR JILLETTE MOVED TO HAVE THE POLLS CLOSED FIVE MINUTES AFTER THE CLOSE OF THE MEETING. MARY WALTERS SECONDED THE MOTION AND IT WAS PASSED UNANIMOUSLY.

MOTION MADE BY TIM JACOB AND SECONDED BY OLIVER PINTER TO ADJOURN THE MEETING. VOTED TO ADJOURN WAS UNANIMOUS. MODERATOR JOHN WILLIAMS ADJOURNED THE MEETING AT 7:40 P.M.

Respectfully submitted,

Shura Gale
School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Towns of Goshen and Lempster:

Preparing the school budget for the 95-96 school year was very difficult for the administration and the school board this year. We will have an increase in special needs services to students next year and many more students in 8th grade going to local high schools which has increased the tuition costs to your school district.

During this past school year art, music and physical education were added to the budget by state requirement. At annual school meeting last year the chairman of the school board mentioned that we would have to come into compliance by 94-95 for counseling services. This is required by Education regulation (Ed 306.17). Due to the fact that the budget needed to be increased to cover special needs and tuition costs, I negotiated with the State Education Department and received a waiver exempting the district from having to provide counseling services to students this coming school year. However, no extension of this waiver will be given beyond 95-96. Counseling services are mandated to be provided starting in the 96-97 school year.

Residents of Goshen-Lempster have every reason to be proud of their school. Students from Goshen-Lempster do very well in the high schools that they attend.

Teachers at the school provide a good academic program for students and are constantly looking for new ways of challenging students. This past year we have been implementing the new New Hampshire Frameworks Curriculum and will continue this during the 95-96 school year. The children will be tested on these frameworks in grades 3 and 6.

During this past school year teachers are being evaluated under a new evaluation system. This system will be reviewed in March and continued in the future.

The realities of this year's budget planning continue to point out that all of us must be proactive with federal and state representatives to assist the district with funding relief so that we can continue to provide excellent academic opportunities for all students.

Respectfully submitted,

Elizabeth A. Durocher
Superintendent of Schools

PRINCIPAL'S REPORT

1994

Parents, students and staff members have been very pleased with the return of the curricula offerings of Art, Music and Physical Education in the past year; students in the fourth grade have experienced those classes for the first time. The efforts of the P.T.C., the P.P.E. and the staff to provide activities to compensate for the missing programs have been greatly appreciated.

Community members, parents and students have a great deal to be proud of in their school. Over the past year, our students have shone in a variety accomplishments. Beyond the standard scholastic curriculum, which our teachers implement with creative and professional artistry, a multitude of activities were provided by many people from within the school and within the community. To cite all of the people and all of the experiences is not possible in the context of this report. Some of those events were:

JANUARY

Goshen-Lempster's first Winter Activity Program began with six weeks of Down Hill Skiing, Cross Country Skiing, Bowling, Ice Skating, Arts and Crafts, Woodworking, Drama, Volleyball and Rocket Model Making. One afternoon per week, between Christmas and February vacations, each student participated in a chosen activity. The program, which was sponsored in part by the P.T.C., was organized by Ms. Maxfield and Ms. Parsons.

Kerry Hague, a counselor from Women's Supportive Services, began a ten week group counseling program with eighth grade students. The program, funded by a health grant, is designed to prepare our students for responsible decision making during their high school career.

Several of Ms. Brewer's students were cited for their American History essays in a contest sponsored by the Reprisal Chapter of the Daughters of the American Revolution. Essays were submitted by many students from surrounding schools; the topic was "Coming to America in Colonial Days". Placing first in the contest was Kristie Pockett; Corrie Winterholer had the third place essay. Other students recognized for their writing were: Jacqueline Arsenault, Melodie Farrar, Alicia Koscielniak, Zachary Tirrell, Denise Walter, and Nicholas Wirkkala.

FEBRUARY

Ms. Barbara Chadwick and Mr. Philip Tirrell volunteered their time to coach basketball. The coaches and students spent many afternoons after school practicing for intramural games that were enjoyed by community members.

Mr. Ekstrom was awarded a \$200.00 grant from the New Hampshire Association for Gifted Education. The money was used to purchase computer software for students.

The Science Fair was moved to the month of February last year. The P.T.C. presented cash awards and certificates of honorable mention to those students whose projects were considered to be outstanding. Awards went to:

Division K - 3

1st Place - Ryann Bevilacqua & Shawna Palmer..Native Americans
2nd Place - Josiah Downey.....Electricity
3rd Place - Angela Carleton.....Butterflies
Honorable Mention - Emily Roberts.....Dolphins
 - Jason Heath....."What is it?"-Goop
 - Mathias Downey.....Machines

Division 4, 5, 6

1st Place - Brandie Bevilacqua & Angelina Lambert....Turtles
2nd Place (tie) - Shanelle Lamery.....Solar System
 Justin Brown.....Dinosaurs
3rd Place - Desiree Wright.....Acids & Bases
Honorable Mention - Laura Dennis.....CO2 Gas
 Justin Gonyea.....Rainforest

Division 7 & 8

1st Place (tie) - Betsy Edes & Jennifer Jones
 Human Nervous System
 - Jessica Dennis & Melodie Farrar
 ..Ancient Egyptian Architecture
2nd Place - Alicia Koscielniak.....Muscles in Motion
3rd Place - Corrie Winterholer.....Making Nylon
Honorable Mention - Shane Brown.....Alcohol and Drugs

Students were visited by a Capucin monkey that was in training to be an assistant for a quadraparaplegic. The presentation included information on the monkey and its habitat. The students were awed by the capabilities of the monkey.

MARCH

New Hampshire youth delegate Sheila Fabrizio gave a slide presentation of her six month experience in Botswana. The International 4-H Youth Exchange student explained to our students the lifestyle, customs and government of Botswana.

Two Goshen-Lempster teams went to the New Hampshire Odyssey of the Mind competition on March 19. The Division I team, coached by Ms. Heather Downey, worked on the problem entitled Furs, Fins and Feathers. Those team members were: Angela Brown, Angela Carleton, Ashley Deceauto, Josiah Downey, Matthias Downey, Jessie Gagnon, Danny Gonyea, Erica Gunderson, Julie Heath, Sharon Rissala, and Jodie Warburton. The Division II team, coached by Mr. Ralph Davidson, tackled the problem of the Mini Terrain Vehicle. Those team members were Ben Carleton, Robby Blackwood, Chris Gonyea, Justin Gonyea, and Dan Rogers.

Sculptor Emile Birch conducted classes on foil sculpture with students in grades K - 8. The project was funded in part by the P.T.C. and in part by a New Hampshire Council of the Arts grant (written by Ms. Howard, Ms. Lord, Ms. Rickard, and Ms. Scalera). The program culminated with an evening Parent/Child Workshop and student sculpture exhibit.

APRIL

Dudley Laughman, Fiddler and Country Dance Master, returned to the Goshen-Lempster School on the evening of April 7 for a Family Contra Dance. The event was sponsored by the P.T.C..

Eighth grade student Ryan Hall traveled to Keene to participate in the state level of the National Geography Bee.

Students in grades six through eight, under the direction of Ms. Ruth LeClair and with the assistance of several parents, spent many hours rehearsing and preparing a set design for the play The Crazy Paper Caper. Community members enjoyed the play on the evenings of April 20 and 21.

MAY

Members of the P.T.C. prepared an outstanding luncheon for the teachers on May 3. The effort was a tribute to our teachers on Teacher Appreciation Day.

Computers were donated to the school by James and Shirley Leland and Mr. Lincoln Barrett. The computers went into the classrooms to be used by students.

JUNE

Under the direction and organization of Ms. Rachel Tirrell, the eighth grade students conducted their class trip to Lake George, New York. While at Lake George, they toured Fort William Henry, visited the Wax Museum, rode a steamship, went rafting, and enjoyed a day at the Great Escape Amusement Park.

Eighth Grade graduation was held on the evening of June 21. Parents and guests were welcomed by the Class Salutatorian Zachary Tirrell, and the Class History was given by Third Honors student Kristie Pockett. The farewell delivery was made by the Class Valedictorian Alicia Koscielniak. Awards were presented by Ms. Brewer, Mr. Davidson and Mr. Bonfiglio. Superintendent Durocher addressed the graduating students, and School Board Chair Doris Adler issued diplomas. The Goshen-Lempster Education Association presented college scholarships to three former Goshen-Lempster graduates. They were: Corey Caron, attending U.N.H.; Shawn Howard, attending the New Hampshire Technological Institute; and Lauren Winterholer, attending Kalamazoo College. The P.T.C. conducted a reception for the graduates after the ceremony.

On the last day of school, P.T.C. President Susan Scalera presented Thank You Awards to the many community members who had volunteered their time and talents at the school over the previous school year. Also at the Awards Assembly, many students were recognized for achievements in scholarship, sports and citizenship.

Also in June, Charles "Bud" Newton announced his retirement as custodian. The members of this community are deeply grateful for the many years of service that Mr. Newton has provided to the school.

SEPTEMBER

A new school year began on August 30. New staff and students were introduced at an opening day assembly. The new year was kicked-off on the theme of "Learn to Win".

As is often the case, September brings about changes in staffing. There were two resignations: Janis Belevance (Special Education) and Todd Gregory (custodian). People who were new to the staff were: Carmen Eichhorn (Special Education), Elin Peterson (Music), Don White (Art), Christine Williams (P.E.), Paul Allen (custodian), Matt Hoyt (part-time custodian), Sharon Miller (Spec. Ed. assistant), and Andrew Coval (Spec. Ed. assistant).

As part of a health grant, Esther Tardy-Wolfe, Executive Director of the Lake Sunapee Area Mediation Program, did a follow-up training from last Spring with selected student mediators. The program utilizes students as peer mediators for other students who are involved in "minor" conflicts. Mr. Allen Abendroth is the coordinator of the program. The student mediators are: Katie Arsenault, Jill Ash, Shane Brown, Justin Gonyea, Stacy Koscielniak, Danielle Montgomery, Liz Moore, Amanda Murray, Melissa O'Clair, Renee Osgood, Sharon Rissala, Nicole Smith, and Shannon Smith.

Susan Scalera was nominated and selected for the 1994 Governor's Recognition Award for her efforts as an outstanding volunteer in the Goshen-Lempster community. Ms. Scalera received the award from Governor Merrill on board the M/S Mount Washington on Lake Winnepesaukee on September 18.

OCTOBER

Susan Scalera stepped down as P.T.C. President, and Judy Brenner and Doreen Murray were elected to the position as Co-Presidents. Jane Skeie retired as Vice President. Sharon Dalling was elected as secretary, and Chris Smith stayed on as Treasurer. Other than elections, the primary topics were the upcoming Thanksgiving Basket raffle and the annual Christmas Crafts Fair.

On October 28, the Lempster Fire Department, under the direction of Chief Philip Tirrell, presented a fire safety program to the Goshen-Lempster students. A demonstration of fire fighting equipment was held in the school yard for students in grade K through 3 by Firefighters Barbara Chadwick and Todd Gregory. A presentation for students in grades 4 through 8, including booklet and sticker handouts, was given in the lunchroom by Chief Tirrell and Firefighters P.J. Tirrell and Ken LaQuire.

The annual Halloween Parade, through the school and out into the school yard, took place on the afternoon of October 31. Parents and community members assembled outside to witness teachers and students in a variety of costumes.

NOVEMBER

The fifth annual Christmas Crafts Fair took place on Sunday, November 20. Shoppers came to purchase professional crafts at the booths in the gymnasium and student produced crafts in the lunchroom. Some of the other activities included hay rides, face painting, visits with Santa and Mrs. Clause (Mr. Jillette and Ms. Rickard), and cookie decorating. Ms. Wynne Rollins organized the food concession. Members of the P.T.C., parents and staff contributed and enormous amount of time and effort to make the Crafts Fair a success.

DECEMBER

Ms. Patrice Brewer was named as member of the National Council for Geography Education. She was selected to represent New Hampshire at a conference in St. Louis, Missouri, to work on the Social Studies curriculum frameworks.

Ms. LeClair worked with students in grades six through eight and parent volunteers to present O'Henry's two act comedy, The Ransom of Red Chief. Many hours were spent bringing the production to the community on the evenings of December 9 and 10.

Ms. Elin Peterson and Ms. Dayle Wells prepared the students for a holiday music assembly that was presented to parents in the gymnasium on the afternoon of December 22.

The New Hampshire State Department of Education has begun to steer us into a new format of student assessment which tends to test students on a broad range of content and skills. The assessment instrument is regarded as being more difficult for students than the previously utilized standardized tests. The instrument, which assesses skill

development within the recently developed New Hampshire curriculum frameworks, consists of a variety of question components: multiple-choice, open-ended, use of manipulatives, on-demand writing tasks (assessing communication), questions of basic and high-order thinking skills, and viewing and listening activities. Today's students are living in a different world than we were accustomed to. Society has changed; families have changed; and the workplace is constantly changing. Schools must also change. The goal of the new curriculum frameworks is to encourage and guide that change.

There is an incredible amount of energy that goes into shaping a school program (energy from a staff that is motivated, and energy from community volunteers who have the unselfish urge to give). There are many cogs to the wheel that turns the daily program. Each cog is equally important: the School Board, the Central Office staff, the teaching staff, the secretarial staff, the food service staff, the paraprofessionals, the community volunteers, the support groups (P.T.C. & P.P.E.), the custodians, the transportation staff, and specialists (nurse, counselors, therapists, etc). It does take all of us, pulling together, to make education work.

Respectfully submitted,

John Bonfiglio
